

“Fit men seeking fit men”

O.K., now that I have your attention, don't be frightened. We are simply looking for two more male triathletes to help comprise two-3 man teams in the Suzuki 24 hour team triathlon in Aurora, Co. on August 30-31.

Javier Rodriguez, Chris Conlee, Russ Arnold and I already registered as a 4-man team, but the race is only paying money in the 3 man division. So, we need two more suckahhhhz to give us two 3-man teams.

We are seeking athletes who have a recent race result of either, a sub-2:30 Olympic distance, or sub-5:30 for a 70.3.

If you are interested in this epic destination race and looking for something out of the ordinary racing scenario, please contact me by e-mail or phone.
